(In the space provided below, please explain in detail the reasons for the delay in filing a proper reply.)

This case was transferred from the law firm of Banner & Witcoff, to the Law Office of Debra J Fickler, after Ms. Fickler left the Banner & Witcoff firm. Ms. Fickler's name and registration number was on the original Power of Attorney signed by Applicant Boyle and filed with the application. Please see Exhibit 1. Once Ms. Fickler received the case file from the firm, she filed an Information Disclosure Statement on February 20, 2002 and included with the statement a Change of Correspondence Address. Please see Exhibit 2.

Ms. Fickler was unaware that an Office Action had been issued by the Examiner for this application and was unaware of the abandonment of the application until recently inquiring about the application on the USPTO Website.

Ms. Fickler did not have any reason to believe that the application had gone abandoned. Ms. Fickler had filed an Information Disclosure Statement for this application and included a Change of Correspondence Address. Moreover, in the past, when the Banner & Witcoff firm received an Office Action or other correspondence regarding a case that had been transferred to Ms. Fickler, the Banner & Witcoff firm would send a fax of the correspondence to Ms. Fickler. Ms. Fickler did not receive a fax of the Office Action for this application. Likewise, Ms. Fickler did not have reason to believe that an office had been issued. For example, she had just recently received a first Office Action in an application which was filed 2 months after this application. Therefore, she did not assume that the PTO had issued a first Office Action on this application.

Therefore, Applicant and Practitioner respectfully request that this application be revived and that all further correspondence be sent to Ms. Fickler. A Revocation and Power of Attorney executed by the application has been included with this petition.

(Please attach additional sheets if additional space is needed.)
